Antonio M. Perez  
Chairman and Chief Executive Officer  
Eastman Kodak Company  
343 State Street  
Rochester, NY 14650

Dear Mr. Perez:

In light of Eastman Kodak's decision to file for bankruptcy protection, I write to request that your company honor the promises it made to its retirees. The financial security of my constituents, many of whom spent their entire careers working for your company, depends on Kodak keeping these promises.

Rochester has been the proud home of your company since George Eastman first went into business in 1880. New York has been good to Kodak, helping it grow into the global leader it is today, and I ask that your company remain good to Rochester and New York. The approximately 25,000 Kodak retirees in the Rochester region planned their futures around the premise that if they worked hard and kept their commitments to Kodak, Kodak would keep its commitments to them. I urge you to do all that you can to make certain that your company's current and past employees, employee benefits, and pensions are protected.

I am fully committed to supporting Western New York's businesses, and to ensuring the best for their employees and retirees. Please know that I am closely monitoring Kodak's reorganization and I look forward to working with you during this process.

Sincerely,

Kathleen C. Hochul  
Member of Congress
